SNI Companies Opens New Office in Denver

New Office Continues Staffing Agency's Westward Expansion

February 9, 2011 – [SNI Companies](http://www.snicompanies.com), a leading accounting, administrative, and information technology staffing agency, is pleased to announce the opening of its Denver office. The addition will house the staffing firm's newest division SNI Technology, as well as the Staffing Now and Accounting Now divisions. This expansion will help meet the growing demand for high quality IT, finance and accounting, and administrative talent in the western United States.

"We, at SNI, are excited about entering one of the healthiest job markets in the country," announced Ron Smith, Chairman and CEO of SNI Companies, regarding the Denver office opening. "We look forward to partnering with Denver businesses providing a solution to the ever increasing requirement for top-notch personnel. We also see the Denver office as the gateway to the western United States and an essential part of our future development."

In 2010, SNI Companies filled over 10,000 positions and plans to continue using its industry expertise to match qualified candidates with top companies. The new Denver office has grown SNI Companies to 35 offices in 14 states throughout the country to help meet the growing demand for the company's services. Due to the success of the company, SNI hopes to continue expanding to new markets.
